CHSS Teaching Academy & ICCE facilitate a workshop on

REFLECTIVE SERVICE LEARNING AND SOCIAL JUSTICE PEDAGOGY

Join us for a dynamic discussion and experiential learning opportunity regarding how to transform your class into a service-learning course. We invite you to reflect on how your pedagogy can incorporate community-based, service-learning projects/activities for your students.

Session Outcomes:

• Learn how to transform your class into a service-learning course
• Reimagine your teaching practice with service-learning and the best practices of social justice in mind
• Develop a social justice-infused syllabus for a service-learning course
