PURPOSE

The College Corps Program is hosting a Launch Party on October 7, 2022 from 11:00am-1:00pm on the 5th floor Admin Building patio! This is an opportunity for all 14 host sites and Fellows to connect through a shared common purpose. Host sites from all three interest areas are united among the shared goal of making a positive impact in the communities we serve. We will start with lunch round table discussions, transition to host site introductions, and end with activities. We will invite all Fellows and host sites to the swearing in celebration from California Volunteers virtually.
