• After logging in, the Dashboard is the main page and hub of all your activity on ULink.
• From here, you can review information related to opportunities you have posted, your participants, and participant hours, as well as access other areas of the site.
• Throughout ULink, “Participants” refers to SF State Students.

Your dashboard
When students are searching and applying for opportunities through ULink, your profile will be visible to them which includes primary contact information, causes, and a mission statement. You can update your profile as needed to represent your organization accordingly.

Click on the dropdown menu at the top right, then click on “My Profile”.

1
In the “Profile” window, make desired changes and then click on “SAVE”.

Note: The primary contact information will be shown on the ULink website. Please input the work phone number instead of your mobile number if you do not want students to contact you to your personal mobile device.

Note: To go back to your Dashboard, click on “Go To VOLUNTEEREASY” at the top.
Multiple users can be added to your organization’s account which means that each person can have their own login and password. Multiple users can be logged into the account at the same time.

To add users, click on the dropdown menu at the top right, then click on “My Account”.
